La Maison de Jules Verne

The House where Jules Verne lived from 1882 to 1900 today offers a space where the imagination and daily life of the second most translated writer in the world combine.

Immerse yourself in the atmosphere of a 19th century bourgeois mansion in which the author wrote more than half his work.

Get to know his publisher Hetzel, his cardboard boxes, his office where the greatest novelists of the time took a seat.

In this tower house, follow in the footsteps of Jules Verne and discover his main sources of inspiration and the legacy of his work.

Activities

AN ORIGINAL WAY TO DISCOVER THE HOME OF THE AUTHOR OF "VOYAGES EXTRAORDINAIRES":

At my wife's request, I settled in Amiens, a wise, civilised town with an even temper, its society cordial and well-read. We are close to Paris, close enough to enjoy the benefits but without the unbearable noise and sterile bustle. And to be honest, my Saint-Michel remains moored at Le Crotoy.

Letter from Jules Verne to his friend Charles Wallut, 1871.
